Our menu has been carefully assembled to showcase small regional suppliers who are passionate about their products. We like to encourage and support local trade and independent businesses wherever possible.

We try our hardest to ensure that everything on our menu can be offered during the times stated but occasionally your first choice may not be available. If that is the case we will hopefully be able to offer a satisfactory alternative.

Many of our dishes are cooked and prepared to order so please bear with us, especially during busy times.
